Take the A34 Southbound from (Junction 13 M4). Do not take the first of the Newbury junctions where the (A4) is bracketed, as this will take you through the town center traffic. Take the 'Newbury' junction signposted A4, Newbury, Hungerford and Speen.

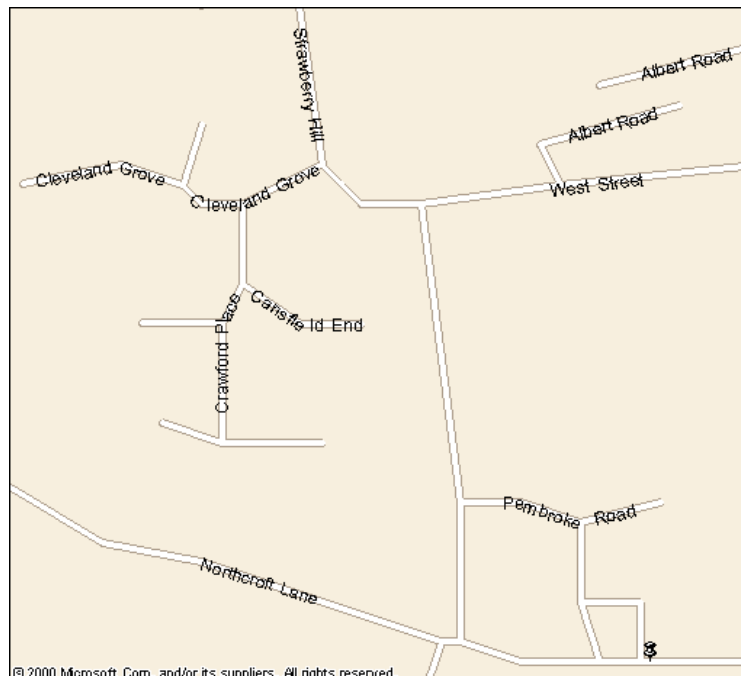

Follow the Newbury signs remembering to drive gently past the speed camera (30 mph limit) and take a right into Old Bath Road (1st turning after the MPV centre on the right and almost opposite a pub on the left called 'The Starting Gate').

Just under 1/2 mile along Old Bath Road, take a right at the mini-roundabout into Strawberry Hill.

Follow the road round the S bend (becomes West Street) and take a left into Pembroke Road, follow this round a sharp right, keeping the multi-story car park on the left, to the 'T' junction where Pembroke Road meets Northcroft Lane. The last building on the left before the 'T' is our office and on the right a public car park.

Office main entrance is in Northcroft Lane.
